

LIMUN 2017

Congratulations Andrei Cursaru

ON behalf of the Trustees and Secretariat of the London International Model United Nations, we would like to formally offer you the opportunity to join the Chairing Staff of LIMUN 2017 as **Assistant Director** of the **UNDP**.

Your admission to the Chairing Staff is as a result of the high quality displayed in your application and interview process. You should be very proud of this achievement.

We have made some differences to the conference this year. We have greatly expanded on the current Rules of Procedure. We have also increased the number of foreign language committees and have created some new committees. And this year we will be assisting chairs in finding accommodation during the conference.

While you wait to receive contact details of your co-chairs, we suggest you start thinking about possible topic proposals for your committee and start looking at its current agenda. We will write to you soon with further information on topic proposals and regarding key dates for later submissions. Finally do sign the Chairing contract and send it to the USG Chairing before Tuesday, September 20th. We also encourage you include the #LIMUN2017 should you share the news of your appointment

Once again, congratulations on your appointment to the LIMUN 2017 Chairing Team. We and the rest of the Secretariat look forward to working with you!

Once more Congratulations, and see you at LIMUN 2017!!

Afolabi Adekaiyaoja
Secretary-General

Dijana Spasenoska
Under-Secretary-General Chairing
