

**NORTH ATLANTIC TREATY ORGANIZATION
SUPREME ALLIED COMMANDER
TRANSFORMATION**

27 May 2021

To whom it may concern,

It is my pleasure to recommend Mr Andrei Cursaru. I came to know Andrei since January 2021.

As Andrei is part of my Commander's Action Group (CAG), I am keen in sharing some key observations from a personal perspective. Andrei is especially in charge of topics like resilience or NATO-EU cooperation inside the CAG. Through his excellent verbal and written communication skills, he has an innate ability to present complex strategic issues in an effective and concise manner.

A consummate professional from the very beginning, Andrei has shown a high level of enthusiasm, stamina and motivation for his work. His natural ability to engage and gain trust from stakeholders at every level across our HQ is truly remarkable.

I always enjoy meeting Andrei as his pleasant and vibrant personality is infectious. He always sees the positive in every situation and has a perpetuating energy to push himself beyond his limits. Something that stands out with Andrei is his dedication and motivation. He always goes above and beyond to ensure that his work exceeds the highest standards while achieving his professional and personal objectives.

I am looking forward to seeing what the future will bring Andrei. He will without a doubt continue to be instrumental for all organisations he will be working for.
